

Availle's Audio Narration Rate Sheet

Thank you for your interest in hiring Availle! Generally, Availle focuses on recordings of standard texts and books, both fiction and non-fiction, as well as video narration in both German and English. For other projects or details, please inquire separately.

What you get

A *finished recording* according to your technical specifications (several are possible), matching the text 100%. You can use the recording immediately without further post-processing. Note that narration for video does not include any video editing.

When you get it

Delivery times for short pieces of less than 2 hours is within one week after receiving the text. A turnaround of 48 hours is possible for an extra charge of 15%.

Delivery times for longer works are depending on length of the work and prior agreement.

What you pay

The prices given below are per hour of finished recording, that is approximately 8000 words of text. You pay for at least 15 minutes; for longer recordings, prices are calculated per minute and rounded up to the next 1,000 ¥.

Standard text or audio book	20,000 ¥ /hour	
Video narration	10,000 ¥ / 15 min. recording	Special conditions for researchers apply, please inquire for details.
Other narration or narration for individuals rather than companies	negotiable	

How you pay

Payment in Japanese Yen is preferred.

For small projects (up to 5 hours): payment to Availle's paypal account.

For larger projects: payment upon completion of pre-negotiated milestones to Availle's bank account in Japan.

Since Availle lives in Japan, she prefers payment in Japanese Yen, as indicated above.
